- j. Maryland's 2003 data have been replaced with 2002 data, due to a reporting error.
- k. Massachusetts changed its market for individual and small group coverage after these survey results were completed. According to preliminary data from the new system, Massachusetts officials reported that average monthly premiums for single coverage in mid-2007 ranged from \$225 to \$450 (\$2,700 to \$5,400 annually) for "silver" (medium-benefit) plans in the 35-39 year age bracket. (More information about the new Massachusetts system can be found at www.mahealthconnector.org.)
